Dear Sir:

STAT  
On behalf of the Committee on Imagery Requirements and Exploitation (COMIREX), I wish to express my appreciation to you and your staff for the most informative visit that we had to your facilities on 22 May 1985. I particularly want to thank CDR James Sherlock, USN, for sharing with us the experiences he encountered [redacted]

STAT  
[redacted] His briefing and the tour [redacted] gave COMIREX a good understanding of the capabilities and importance of these tactical assets.

Again, please convey our thanks and appreciation to all the members of your staff who contributed to the success of our visit.

Sincerely,

STAT
